Hi Sue,

It's attached. (b) (5) - Deliberative process privilege

Reid

Great news!

Would you send me the version of the package that is at OMB? I can't seem to find it in my email (even in LN).

Thanks.

Hello All,

Just a quick note to let you know that the Subpart W rulemaking package was uploaded by OMB last night. I'll keep you posted on our progress. Tanks.

Reid
